# INTRODUCTORY

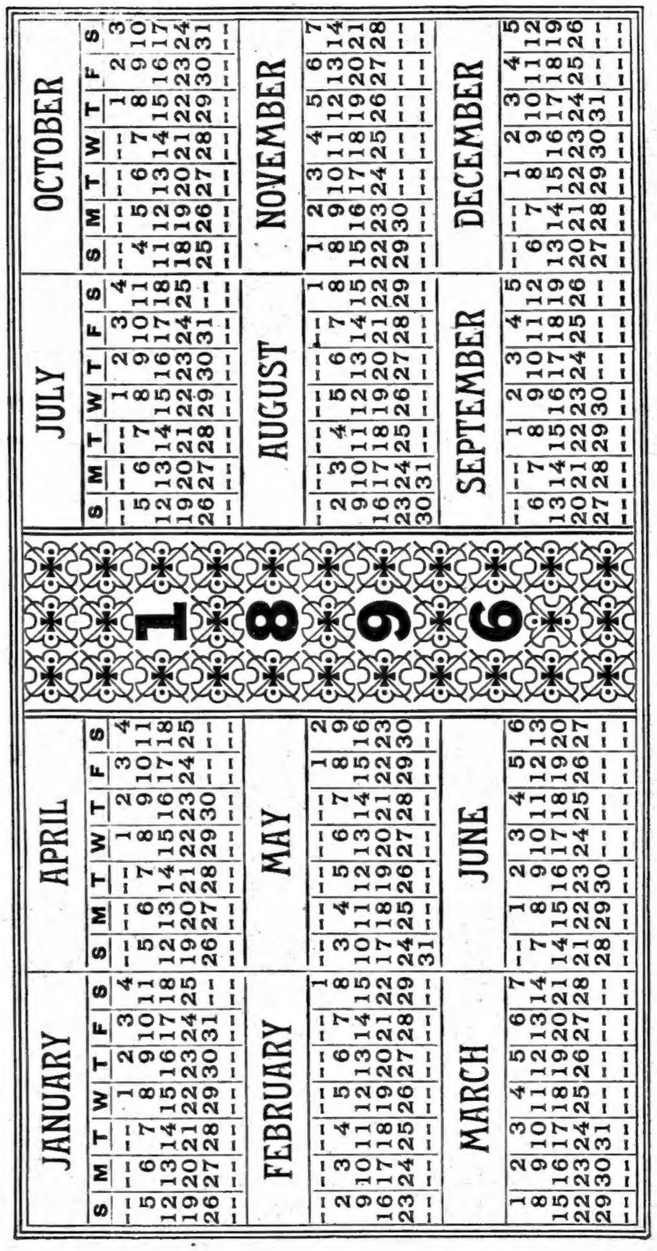

We take pleasure in presenting herewith the Hyde Park Directory and Register for 1895 and 1896. We have endeavored to execute our work, in its various departments, in a manner that shall commend it to our patrons and the general public. Every facility suggested by long and varied experience in the business has been made use of, and neither pains or expense has been spared. May we not, on our part, expect a pecuniary support that shall do credit to the characteristic public spirit and enterprise of Hyde Park?

We extend our thanks to all who have aided in the prosecution of present issue.

Respectfully yours,

MASS. DIRECTORY PUBLISHING CO.

Dir
Mass.

TO GIVE AN ALARM.

After opening the door, pull the hook down ONCE, and IMMEDIATELY let go. Close and lock the door; remain at the box, if possible, to direct the firemen to the fire. No person will give a second alarm except by direction of one of the Board of Engineers.

The daily test will be given at five o'clock P. M., by one blow on the bells and gongs at once. Stormy days four blows will be given to notify the public there will be no school.
